B) CITY COUNCIL'S REASONS FOR MAKING THE ORDER

It has been proved that the speed at which vehicles travel is directly related to the severity of injuries sustained by casualties resulting from a road traffic accident. For this reason it is considered essential that vehicles travelling through the congested narrow residential roads within the City should be restricted to 20mph. This speed is appropriate for the type and nature of these roads and would improve road safety for pedestrians and cyclists, particularly for children and other vulnerable road users.

A copy of the Order and a plan may be examined at the Information Desk, Ground Floor, Civic Offices, Portsmouth during normal office hours, and a copy of this Public Notice can be found on the City Council's website at:
<http://www.portsmouth.gov.uk/living/609.html>

If you wish to question the validity of the Order, or of any provision contained in it, on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act, or any instrument made under it, has not been complied with in relation to the Order, you may within six weeks from 30th August apply to the High Court for this purpose.
